# Strategic Plan 2018-2023

CENTRE FOR  
**NON-VIOLENCE**  
ending violence against women & children

## Our focus

## Our journey

© This plan was developed over a number of months through a series of targeted workshops that engaged staff, our senior management team and the Committee of Management. We thank everyone for their input and look forward to working towards our ambitious agenda. This plan was endorsed by the Committee of Management on 2 July, 2018.

Gender and social equality  
in a violence free world
