Position Purpose

Consortium Vision

A future where all women and their children experience gender and social equality, living to their full potential.

Role Context

Safe, Thriving & Connected is an innovative and integrated safety and recovery approach that delivers specialist therapeutic interventions to victim survivors experiencing and/or recovering from family violence.

Safe, Thriving & Connected has been developed and is delivered by The Loddon Gender Equality and Violence Prevention Consortium ("the consortium"), who have a long history in working in partnership and are experienced service providers in the delivery of integrated and coordinated specialist family violence services and system responses across the Loddon area. The consortium members are:

- Centre for Non-Violence (lead agency).
- Annie North Women's Refuge and Domestic Violence Service.
- Women's Health Loddon Mallee.

Position Description

Safe, Thriving & Connected Therapeutic Clinician

- Centre Against Sexual Assault Central Victoria.
- Omnia Community Health.

By partnering and sharing our specialist expertise and approaches, we are:

- Increasing regional access to a range of therapeutic modalities, services and supports to all victim survivors of family violence.
- Working with clients across the continuum of intervention to identify and respond to their therapeutic needs and enabling them to recover and thrive.
- Working with all victim survivors of family violence including clients from diverse groups.
- Building on the significant capacity and expertise and provide opportunities for joined up service and system responses that deliver strong therapeutic outcomes for victim survivors of family violence whilst ensuring their safety and keeping perpetrators in view.

Safe, Thriving & Connected provides a range of trauma informed and evidenced based therapeutic programs and services to support recovery and healing. Interventions and services are accessible across the Loddon area and embedded within the broader service system responses. We are building on existing entry points and referral pathways by providing a framework for assessing risk and safety, therapeutic readiness, case management and transition to community supports that sustain healing and recovery.
